MILLER : It is with regret that we announce the death of one of our former residents, Mr. James Miller, which occurred at his home in West Toronto on Monday, Dec. 27th, in his 65th year, after a short illness. Mr. Miller was for many years a resident of this village, as a carriage painter and agent, but moved to West Toronto about 15 years ago. He was born in Ireland and came to Canada when a young man. Besides his wife he leaves a grown up family. He was a Conservative, and a member of River Park Lodge A. F. and A. M. Streetsville. The funeral took place Thursday afternoon from the residence of his brother-in-law, Mr. James Kee, to Streetsville Cemetery.--Review.

INDUSTRIAL NOTES

Bricks

Two brick-yards were in operation within the limits of Streetsville. The Medina Shale Brick Yard where the first use was made of the special clay for which the district is known was the scene of great industrial activity. Later the Medina Company was absorbed by the Milton Pressed Brick Limited who from their Streetsville Yards had an annual output of 15,000,000 of their famous Red Rub Bricks. This company was managed by J.A.Miller whose father for many years was manager of Don Valley Brick Co. The Streetsville Brick Company, directed by Mr. Longwell produced high-grade red and flashed rug-faced brick.

In 1904 Robt. Miller imported six young Shorthorn bulls and two cows from Aberdeenshire Scot. Included in this lot was the Bull calf Butterfly King andchis mother, Jubillee Maid , 2nd imp. This importation was a worth while contribution to Canadian Shorthorns.

As he died without any heirs, he willed his entire properties to neighbours who had been kind to him.

BUTTERFLY KING Page 100.

In 1904 Robert Miller imported 6 young bulls and 2 cows from Aberdeenshire. This lot was significant because it contained the bull calf Butterfly King (Imp.)--55004--and his mother, Jubilee Maid 2nd (Imp.) --59505--, both bred in Aberdeenshire and of the Cruickshank Butterfly family. Jubilee Maid 2nd was a good type of breeding cow, short-legged, deep-bodied, and with soft hair and very pliable skin, a quality beast all the way through with the finest of feminine character. Butterfly King was a massive bull with splendid head and attractive horns. He was deep and square in the body and had a very mellow hide. .... Butterfly King was the first bull in Canada to qualify in the record of performance though it was not started until he was an aged bull. His story is told in connection with James Brown's herd, but his importation was a worth-while contribution to Canadian Shorthorns. Ten years later I bought for the Olds Demonstration Farm, to re-sell to farmers, a group of young bulls from Robert Miller that were sired by Butterfly King and bred by T.C. McEvoy, of Claremont.

Interview with Mrs. James Goodfellow,
294 Kingsway, Toronto.
29 Aug. 1933.

46977

Wm. Scott Buist, my father, born in Hamilton. Educated there. He went to Bolton, with his brother David, about 1865, (?) to take charge of his brother's mill. (Mrs. Goodfellow thinks it was more likely 1863 when her father moved to Bolton). This mill was a flourishing woolen mill, and he operated it for about 20 years, under the name of the Glasgow Woolen Mills. It was located on lot 10, Con. 6, Albion, on the banks of the river just above Bolton. Mr. Buist sold the mills to Walshaw and Atchison. Mr. Walshaw was an American. Father retired to live in Bolton village, and in about 1906 or 1907 he went to Hamilton to live. In this woolen mill wool was carded for the farmers, blankets were woven, and cloth was manufactured. Father employed three or four girls as weavers, and had from seven to twelve men working. He also had a timber, or saw-mill, where he sawed the logs for the farmers.

He was a Liberal, and a Presbyterian. His business took up all his time, so he was not active in politics, but he was the leader of the singing in church, and taught in the Sunday School.

After his retirement, he started to invent, and invented a very successful snow-plow. He never made anything out of this, as in some way the railroad got hold of it, and they still have this type of plow in use. (Mrs. Goodfellow has promised to try and find a small model of this plow which she has.) He died in 1911, buried in Bolton.

Wm. Buist married Mary Morrison, who was living in Nottawa, Ont. at the time. She came from Dublin.

Children of Wm. and Mary Buist:

Lyman Ormiston, lived in Bolton for some years. Went to Hamilton where he started an ice-cream manufacturing plant. Lives now in Toronto, on Lansdowne Ave. Married Rose Ross, of London. Had one daughter, Vera, who died at 21. His wife is also dead. Ormiston St. in Bolton is named for him. Has two sons, William and Fred, both in Toronto.

Agnes, married James Goodfellow, a son of Adam Goodfellow, lot 6, Con. 5, Albion. Have two daughters, Laura, now Mrs. Fred Guy, of Detroit, and Gratia Victoria, Mrs. Roland Millar of Toronto. Mrs. Goodfellow played the organ in the Presbyterian church in Bolton at the age of nine, and for a time afterwards. The Goodfellows lived on lot 7, Con. 5, Albion.

FOOT RACING.

Field Meet. 4698.

There certainly used to be some very good foot racing done right here in Brampton. I can remember West McKenna and the Rev. Mr. Morrow racing. There used to be quite a bunch of people come from Toronto. Fred Miller used to run also. West McKenna is still living in Toronto and he should be able to tell you something about this. As far as I know he is selling some kind of mining shares there.
